

## Our Partnership Product Line Card

**IMPULSE** are a leading distributor and integrator of innovative industrial computer products and solutions in the UK and Ireland.

Our products include Single Board Computers, Embedded PC's, Industrial Touchscreen Monitors, Digital Signage Products, Data Communication and Acquisition Solutions and C-Programmable Microcontrollers.

Incorporating this array of products also allows us to provide innovative custom and off-the-shelf industrial solutions in-house including Rack-mount and Micro-box Systems, Panel PC's and Workstations, Rugged Embedded Platforms and Board Kits.

These solutions can be found in a variety of markets including automation, medical, transportation, process control and POS/signage.

Our success and growth over the past fifteen years can be attributed to selecting the very best partners in the industrial computing marketplace ensuring innovation and reliability for our customers.

**AAEON TECHNOLOGY INC. (Taiwan); est. 1992, partner since 1994**

AAEON are a leading manufacturer of high quality, reliable Industrial PC products. Impulse is the longest serving European distributor and is their leading UK distributor.

*Embedded Single Board Computers, Half Size Single Board Computers, Embedded Fanless PC's, Robust Panel PC's and HMI's*

**ADVANTECH INC. (Taiwan); est. 1983, partner since 2003**

ADVANTECH are one of the largest worldwide manufacturers of Industrial PC products and solutions. Impulse concentrates on their impressive range of board level and Panel PC products.

*Embedded Single Board Computers, Industrial Panel PC's*

**AXIOMTEK INC. (Taiwan); est. 1990, partner since 2002**

AXIOMTEK are a leading designer and manufacturer of industrial computing products. Impulse utilise their full size SBC and industrial chassis range as well as their innovative Panel PC and HMI products.

*Full Size Single Board Computers, Industrial Chassis', Industrial Panel PC's and HMI, Industrial LCD Monitors*

**DATAFORTH CORPORATION (USA); est. 1984, partner since 1993**

DATAFORTH is the world leader in data acquisition, signal conditioning and data communication products for industrial applications.

*Signal Conditioning Modules, Data Acquisition Systems, Serial Line Drivers, Serial Converters*

**ICOP TECHNOLOGY INC. (Taiwan); est. 1989, partner since 2001**

ICOP are a leading designer and manufacturer of x86 embedded and half size boards with extensive supply and support roadmaps utilising their own processing cores.

*Embedded Single Board Computers, Half Size Single Board Computers, Microbox Systems*

**IEI TECHNOLOGY CORP. (Taiwan); est. 2005, partner since 2007**

IEI Technology. is a leading worldwide industrial computing manufacturer.

*Industrial Motherboards, Single Board Computers*

**RABBIT SEMICONDUCTOR INC. (USA); est. 1980, partner since 1997**

Rabbit Semiconductor Inc., a Digi Company, is a global provider of high-performance 8-bit microprocessors and development tools for embedded control, communications, and Ethernet connectivity.

*Single Board Computers, Core Modules, Operator Interfaces*

**SEALEVEL SYSTEMS INC. (USA); est. 1986, partner since 1999**

Sealevel Systems Inc. provides innovative hardware and software serial, digital and analog I/O products enabling computer connectivity and control via a variety of interfaces including PCI, USB, Ethernet and PC/104.

*Asynchronous/Synchronous Serial I/O Boards, Digital I/O Boards, Serial, Digital and Analog I/O Adapters and Converters*

**WINMATE COMMUNICATION INC. (Taiwan); est. 1994, partner since 2005**

Winmate Communication Inc. is a worldwide leading Industry Display and Panel PC solution provider with expertise in display touch screen technology including Digital Signage solutions.

*Industrial LCD Monitors, Panel PC's, Rugged Tablet PC's, Rackmount LCD Consoles, Digital Signage*

#### **Other Partners :**

**INNODISK CORP. (Taiwan): est. 2005, partner since 2006**

*Industrial Flash Devices: DiskOnModule, CompactFlash, SSD Drives*

Unit 2 Littleton Business Park, Littleton Drive, Huntington, Staffordshire, WS12 4TR
